## Chapter 1 by Brandy

Rebecca sighed into the phone and pinched her nose. "I told you I can't talk right now, Mom. I'm swamped at work. Half the team is out with the flu and I've been putting out fires all morning."

"I just worry about you," her mother said through the phone. Rebecca smoothed down her white blouse and ran a hand through her hair.

Another fire erupted in a far cubicle. "Sorry, mom, gotta go," Rebecca said, as she pressed the end button. She grabbed her trusty fire extinguisher and raced to the flames. "I told you to go home, Kenneth," she yelled to Pyro-Tech Kid.

"Sorry," he replied and then blew his nose loudly into a tissue. Pyro-Tech Kid was the best in the business at starting fires and also doing IT work, but like most boys, he was terrible at being sick.

After attending to the fire, Rebecca returned to her area the long way because she had to check on the swamp in the training room. Luckily maintenance had some swamp-vacs to get the draining started. "Swamp Thing, you gotta get out of here."

Life was never simple for Rebecca, who worked as the Office Manager for the local Super Hero HQ, but the week of the Super Flu was far worse than anything she'd ever dealt with.
